

Contra Costa County - Kathy Young's Voter Guidance for Primary Election  
Tuesday March 5, 2024

Feel free to share with others

The following voter guidance is based on my personal opinions which are informed by my Judeo-Christian worldview, personal research, and life experience now at age 70.

While no person or party is perfect, the Republican party is most closely representative of my values. The political party affiliation in CA is 46.9% Registered Democrat, 23.8% Registered Republican, and Independent or "declined to state" are 22.5%.

To vote for a US President in the state of California in the Primary Election March 5<sup>th</sup>, you must be registered in the party of the candidate no later than Feb 20, 2024; or register/re-register at the Polls on the day of the election. See: [CLICK](#) Those who are registered Independent or Decline to State will be given ballots that do not include the option to vote for a president.

District 16 Joseph A. Rubay, Republican, I know Joe and recommend

#### **County Supervisor, nonpartisan**

District 2: Candace Anderson, running unopposed

District 3 and 5: no recommendation

#### **Measure A. Martinez.**

Recommend APPROVE. This is a bond measure but it is unique. It is a measure to just renew the existing bond measure another 8 years. They are not asking to change the 2/3 voter approval for this to pass. They have done a lot of things right on the creation of this measure.

#### **Measure D. Moraga.**

No recommendation. This requires 55% to pass.

**Antioch B.**

OPPOSE. This is poorly put together and expensive and begs many questions.

**Prop 1:**

OPPOSE. This fragmented, extremely expensive, poorly put together measure should be opposed for so many reasons, not the least of which is that it would grant ministerial obligation authority which is sweeping authority - a very bad idea. Additionally, it already cost taxpayers \$9 million just to put on the ballot. The homeless issues are huge, but this is a very, very poor response that is said to **cost \$6 Billion to implement.**

**District 2 Republican Central Committee Members:**

Recommend Disbrow and Fernwood

Sincerely,

~Kathy Young
